

**GRESTING OF THE prioress GENERAL
169TH ANNIVERSARY OF THE FOUNDATION OF THE CONGREGATION**

**DOMINICANS, DOMINICANS
ANUNCIATA, ANUNCIATA**

This is how Father Coll wants us to be.

Daughters of Dominic, and his daughters as well.

This is how Father Coll loves the entire Annunciata family—

all of you who identify with and are part of this great family.

The month of August offers us the opportunity, within the space of one week, to celebrate our Dominican and Annunciata identity.

Our hearts beat with strength and joy.

A heart full of gratitude for the life given to us—sisters and laity—

to proclaim, in season and out of season, the Good News of God:

His love for all humanity.

A heart that loves and commits itself.

Happy Feast Day!
