

170 YEARS

A HISTORY WOVEN BY GOD

**UA history of faith, hope and love.
A history of preaching.**

170 YEARS AGO, A DREAM WAS BORN.

The dream of proclaiming the Gospel through education, closeness and compassion.
A dream that continues to live on today in so many countries, cultures and communities.

TO CELEBRATE IS TO GIVE THANKS.

For every sister who gave her life.
For every community.
For every vocation.
For every child, young person and family who has been part of this story.
Because God has always been faithful.

TODAY, WE RENEW OUR YES.

Yes to God.
Yes to the mission.
Yes to life in community.
Yes to study and contemplation which nourish our preaching.
Yes to continuing to proclaim the Good News with creativity, passion and hope.

WE ARE ONE FAMILY.

One heart.
One mission.
United by the charism of Saint Dominic and Saint Francisco Coll.
Called to be light wherever the world needs hope.

***170 years bear witness to our journey.
170 years inspire us.***
